

**COLUMBIANA WATER BOARD**

**E-Bill Enrollment Form**

Electronic bills, or e-bills, are a paperless option for delivering a bill. Bills are presented as an electronic document, such as a PDF file. This gives customers the ability to review bills before sending payment. If you opt into E-bill, you will NOT receive a paper bill.

By signing this form you agree to receive your water statement electronically. An e-mail address is required for this service. You will be notified by email when your e-bill is available to view. Also, you may withdraw from e-billing at any time by email request.
